

Semiconductors Route Card

Attention: *Credit points can only be granted to those students who have a completed Route Card and the grade “Passed”!*

The requirement for credit points in “Semiconductors” is a presentation given to the audience. The following points need to be signed by the advisor.

-
1. Speak with your advisor about your plans concerning the presentation and give a brief outline.

Needs to be signed 6 weeks before presentation or earlier.

Signature

2. Show your transparency draft or PowerPoint document to advisor.

Needs to be signed 2 weeks before presentation or earlier.

Signature

3. Show your final transparencies or Power Point document to advisor.

Needs to be signed 3 days before presentation or earlier.

Signature

4. Presentation.

Signature

5. Distribution of the paper to the audience.

On the same day as presentation!

Signature

The time for the presentation is 30 min. After this time the presentation will be stopped even if not yet completed. A successful presentation has to have good content **and** good comprehensibility.

Grade: Passed ☐ Failed ☐
