

1.1.2 Exercises

Format of Exercises

- ✦ Exercises will consist of two parts:
 - A "classical" exercise part (where the student is supposed to work out exercises questions handed out a week ahead of exercise class) .
 - A "Multiple Choice" part, where questionnaires have to be filled in.
 - For details see the "[Running term](#)" and the [News](#)
- ✦ The old "Seminar" format has been abandoned.
 - However, you may still find helpful hints for [presentation techniques](#) in the link.
