

## 1.1.2 Exercises

### Format of Exercises

- ▶ Exercises will consist of two parts:
  - A "classical" exercise part (where the student is supposed to work out exercises questions handed out a week ahead of exercise class) .
  - A "Multiple Choice" part, where questionnaires have to be filled in.
  - For details see the "[Running term](#)" and the [News](#)
- ▶ The old "Seminar" format has been abandoned.
  - However, you may still find helpful hints for [presentation techniques](#) in the link.
