

Example for Illustrating Tables

Here is the boring table

Year	1973	77	81	84	87	90	95	98	01	05	09	13	17
Price for 1 Mbit of DRAM memory (DM)	150.000	10.000	800	240	60	10	1	0,26	0,11	0,05	0,014	0,008	0,003

Illustration

And here is an interesting way for illustrating the same data
